

# Kiwi are coming.....

**Pukenui Forest Trust are excited to announce that up to 12 adult kiwi will be released into Pukenui Forest on the 17<sup>th</sup> of March (weather dependent).**

We are holding public meetings to share information about the Trust's work, the kiwi reintroduction and threats to kiwi, and to answer questions.

Kara Kokopu Community Hall – 27<sup>th</sup> February 5.30 pm

Maunu Primary School Library – 1<sup>st</sup> March 5.30 pm

Whangarei Quarry Gardens – 7<sup>th</sup> March 5.30 pm

Hurupaki Primary School Hall – 8<sup>th</sup> March 5.30 pm

## **Did you know dogs are the biggest threat to adult kiwi?**

All dogs are prohibited from entering Pukenui Forest, including Coronation Reserve. Also be aware that kiwi can move large distances, so they may explore your backyard!

You are invited to attend one of these meetings, so we can work together to help protect these unique and beautiful birds!
